**Subject:** Orlando shooting

Greetings Mayor and Council

In light of the tragic mass shooting in Orlando, Florida today the City of Vancouver stands together with other Canadians in honour of the victims and their families. In tribute, tonight City Hall will be lit with the rainbow colours of Pride and tomorrow morning the Pride Flag will be at half mast at City Hall. These steps have been taken in consultation with Councilor Stevenson in advance of any federal government protocol recommendations.

Best  
Sadhu
