Subject: RE: Fallen tree - 1872 Nelson Street

Mayor and Councillors,

Based on additional information just received from staff at the location, I can update my previous message to reflect the fact that there are actually two buildings impacted (1860 and 1872 Nelson). Staff have asked residents of a combined total of 8 units in the two buildings to leave their apartments until our crew has finished removing the tree.

Best,
Paul

Subject: Fallen tree - 1872 Nelson Street

Good afternoon Dear Mayor and Council,

I am writing to update you on an incident that occurred late this afternoon at the above-referenced address. A large tree (approx. 60') situated on City property fell onto an adjacent multi-family residential building.

Fortunately, there were no injuries. However, the tree came to rest on the concrete balconies of 3 apartments. The residents of those 3 apartments have been evacuated. The attached photo provides a view of the situation at present.

VFRS and Park Board managers are presently on scene, and a Park Board forestry crew is en route to remove the tree. A building inspector has also been dispatched to assess the damage to the building.

At this time, we do not have any information as to the cause. The tree will be assessed by Forestry staff prior to removal.

Please let me know if you have any questions or concerns at this point.

Best,
Paul
