Subject: Encampment at 58 E Hastings

Good Evening Mayor and Council-

I am writing to alert you that a group of demonstrators have set up an encampment at 58 West Hastings - there are currently 10-15 tents set up (all same style and two person tents). PHS says they broke in as they did not let them in.

I understand that there were similar protests today in maple ridge and abbotsford, which included an old building being occupied and a new homeless camp set up respectively.

VPD are monitoring the situation as our other staff. We have asked VFRS to make contact with the organizers and to monitor the site for safety issues.

Tomorrow morning we'll attempt to make contact with the organizers.

Have a good evening.

Thanks

Sadhu
