**Subject:** Protest update

Greetings Mayor and Council-

We currently have about 40 protesters in the stairwell and elevator lobby on the 3<sup>rd</sup> floor. Staff are attempting to engage with them. Also councilor Jang and Councilor Reimer have attempted to engage with them. They have provided us with a petition demanding affordable housing in Vancouver- with a focus of 58 W Hastings, where there is an encampment. We are working to contain the protest so that it does not disrupt council activities.

Best

Sadhu
