Subject: Protests at Council today

Greetings Mayor and Council-

This morning we got word from VPD that VANDU planned to protest at Council today.

As you likely noticed, we have implemented our security plan. Our primary objective is to avoid a disruption of Council.

There are 15-20 protesters currently on the 3^d floor. Staff are attempting to meet with them to understand their concerns.

I'll keep you posted.

Thanks

Sadhu
