Dear s.22(1) :

**RE: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of March 1, 2016 under the *Freedom of Information and Protection of Privacy Act* for:

**Records relating to environmental impacts on 745 Thurlow Street, from January 1, 1980 to March 1, 2016, including the following:**

1. **Records regarding potentially contaminating activities -**
  - o fuel or chemical spills (i.e. from activities such as dry cleaning);
  - o waste disposal site information;

**Records regarding abatement issues or control orders (if there were any records of the City enforcing a cleanup or asking an environmentally damaging activity to stop).**

There are no records responsive to this request. According to Environmental Services, either there has not been a reported environmental incident (such as a spill) and/or the MOE-regulated process did not trigger any environmental requirements for City permits.

Under section 52 of the Act you may ask the Office of the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: [info@oipc.bc.ca](mailto:info@oipc.bc.ca); Tel. 250-387-5629. You will need to provide: 1) the request number: (#04-1000-20-2016-071); 2) a copy of this letter; 3) a copy of your original request for information; and 4) the reason for the review.

Please do not hesitate to contact the Freedom of Information Office at [foi@vancouver.ca](mailto:foi@vancouver.ca) if you have any questions.

Yours truly,
