Dear Mayor and Council and Park Board Commissioners,

The Northeast False Creek Planning Team would like to extend an invitation to you to attend the kick-off event of the Northeast False Creek planning process this Thursday (September 16).

You're invited: Northeast False Creek kick-off Event

Help the City kick-start the next phase of planning for NEFC. Enjoy live music, food trucks, a pop-up bar, and family friendly activities while learning about the upcoming process and sharing your ideas for the future of NEFC. Drop in any time, open schedule.

When: Thursday, September 15, 2016, 5:30-9:00pm

Where: Plaza of Nations (777 Pacific Boulevard)

About Northeast False Creek: Already a hub of events, culture, and sports, Northeast False Creek is the last major undeveloped waterfront in downtown Vancouver. In October 2015, Council approved a conceptual plan that included the replacement of the Georgia and Dunsmuir viaducts and directed staff to proceed with the creation of an area plan.

As part of this process, we are asking the public to share ideas for the future of the area.

Can't make the event?

The public can still share their thoughts about how to make Northeast False Creek awesome if they can't make Thursday's event:

- Online engagement - Starts September 16 at www.vancouver.ca/nefc
- Open House Roadshow - Tuesday, September 27, 12-3pm at VPL Central Branch in the Atrium [map](#)
- Open House Roadshow - Friday, September 30, 12-3pm in the theatre at the Carnegie Centre [enap](#)
