Dear Mayor and Councillors,

I am writing to update you on a fire that occurred late this afternoon at the Quality Inn (1335 Howe St). As you know, the property is currently under lease to the City and is in use as interim housing.

VFRS advises that the fire started in a suite on the 7<sup>th</sup> floor. There is extensive fire damage to the suite and minor smoke damage on the 7<sup>th</sup> floor. Water damage was contained to the suite. The cause of the fire is under investigation.

One of our firefighters sustained an injury at the scene and is currently being assessed in hospital. There were no injuries to any occupants or building staff.

The occupant of the damaged suite has been relocated and no other occupants have been displaced.

Please do not hesitate to contact me or Kathleen Llewellyn-Thomas if you have any questions.

Best,  
Paul
