**Subject:** 58 W Hastings - update

Greetings Mayor and Councillors,

Our team of City, VFRS and VPD staff is on site at 58 W Hastings again today and is continuing the effort to assist campers to pack up and depart the encampment. Last night, 2 individuals from the camp spent the night at shelter, out of the 22 people who expressed interest in moving to shelter. As people make progress today in organizing and packing their belongings, we continue to hope that more will move to the shelter.

We have been working to correct misinformation provided to the media to the effect that there are 100 people living on the site. From their daily visits, Outreach has consistently identified the number of people in the encampment at 20-25.

Please let me know if you have any questions.

Best,  
Paul
