Text of Endorsement:

It has been a delight to work with Victor. As President of CSA, he oversaw a flawless execution of the FIFA Women's World Cup event last year. In our capacity as a host city, we felt fully supported and like we had a partner that understood our needs. Under Victor's leadership, the CSA was able to work collaboratively with us to find solutions, not just in the stadium and on the field but also out in the community where fan experience and legacy was an important piece for us.

In my capacity as a soccer fan, I had full confidence that Victor is motivated by the same love of the game and it's that love that will allow the players to excel and the sport to thrive and grow in Canada and throughout the CONCACAF countries.

It is with great enthusiasm that I endorse Victor Montagliani as President of CONCACAF, who will honour his responsibility to positively impact the game and lead with good governance both on and off the field.

Gregor Robertson
Mayor, City of Vancouver
