**Subject:** Victory!!! Pendrell lawsuit

Greetings Mayor and Council-

Good News!

Today the BC Supreme Court ruled in favour of Vancouver City Council's proposed rezoning of 1754-1772 Pendrell Street, which would be rezoned to allow for a 21-storey multiple dwelling building containing 178 secured market rental housing units, 26 of which are secured for 30 years with rents at 20 per cent below the average West End area market rents.

Official news going out soon.

Big thanks to our law and planning teams.

Best

Sadhu
