Subject: GLOBE 2016 Environmental Business Summit in Vancouver from March 2-4

Greetings Mayor and Council,

GLOBE 2016, North America's largest international environmental business summit, will be held in Vancouver, BC from March 2-4. There will be a mix of armchair dialogues, roundtables, salon-style gatherings, lively debates, SPARK talks and opportunities for active participation.

We thought you may be interested in attending one or more sessions as your work relates to Greenest City/Renewable City.

The Sustainability Group has a limited number of tickets available. If you are interested in requesting tickets to one or more sessions, here's how:

1. Please visit the [GLOBE website for session details](#) and select sessions you are interested in (be sure they are not invite-only "GLOBE WEEK" events).
2. Send Jennifer Wahl the list of session(s) that you wish to attend before Feb 26, 2016.
3. You will receive a confirmation email on Feb 29, confirming if a ticket is available to you for your chosen event(s).

Note: Tickets are limited. In the cases where there is more interest than tickets, we will choose the individuals that are most closely working on the related file.

Questions? Please call Jen Wahl at 8-6921.
