

File No. 04-1000-20-2016-237

July 28, 2016

s.22(1)

Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of July 4, 2016 for:

1. City of Vancouver records in regards to the installation of traffic cameras on the Granville Street bridge, its off / on ramps, and nearest intersection to each.
2. A copy of the decision why traffic cameras Granville Street Bridge were not installed.

All responsive records are attached. Some information in the records has been severed, (blacked out) under s.13(1) and s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2016-237); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,

Obi Falconer, FOI Case Manager, for
Barbara Van Fraassen

Sorry Winston,

Not much we can suggest, as our cameras are only deployed for planned major/special events. Other than traffic cameras ^{s.13(1)}

^{s.13(1)}

^{s.13(1)}

Hi Winston,

Had a talk with Toby Lewis about this email and he said to forward it to you.

Cheers,

Dear Warren,

Your name appears when I call over to the number we have for inquiries: 873 7912

Is this something you can assist with?

Can you please respond to s.22(1) regarding their concerns about the lack of traffic cameras on the Granville Bridge.

If you are unable to assist with the citizen's request, please reply to: info@vancouver.ca

Regards,

Taryn

Subject: Granville Bridge

I am writing today to complain that this bridge does not have any camera on it, even though there are 8 lanes of traffic!

Why does it not have one when there are others that do?

My s.22(1) From what I can determine from the Vancouver police and the coroner's office, there is a gap of 4 hours that no one can explain what happened to s.22(1) Shameful in a city this big and so forward thinking in so many ways but obviously not in the ones that really count.

I would like to have a response to this complaint and suggest strongly that one is installed as this has been a terrible time and questions cannot be answered and obviously never will be because there was no camera. I do not want another family to have to accept less than the facts like we have had to.

I don't want another family to experience this tragedy.

Thank you.

Subject: Proposed new camera view - Granville Bridge

Any thoughts about program a new named view of the Granville Bridge from the Granville & Broadway Camera? May be useful to have a view of this bridge in-bound to downtown.

Toby,

Please see attached for e-mail related to Granville Street Bridge.

Granville & Nelson traffic cameras were operational Thursday, October 20, 2011. Please note that this information is what I have on an Excel spread sheet. However, I cannot find the e-mail that referred to this date.

Same for Granville & Broadway, I have just the year, 2008, noted in the spread sheet.

Thank you,

Jason Lam
