Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of August 10, 2016 for:

1. **Number of tickets issued to 300 Keefer Street for parking too close to fire hydrants; and**
2. **Number of tickets issued to 500 Campbell Avenue for parking too close to fire hydrants; and**
3. **Number of tickets issued to 2000 Franklin Street for parking too close to fire hydrants; and**
4. **Number of tickets issued to 800 Malkin Avenue for parking too close to fire hydrants; and**
5. **Number of tickets issued to 400 Princess Avenue for parking too close to fire hydrants; and**

All responsive records are attached. Some information in the records has been severed, (blacked out), under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

Furthermore, please note that there were no responsive records for point three or five, and the records provided for point six reflect results that were found for tickets issued to spots *too close to fire hydrants*.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.
