Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of October 27, 2016 for:

**Records of incidents, including conflicts and accidents, between people on skateboards and cyclists, pedestrians and/or motor vehicles on designated city bike routes or protected bike lanes, from October 1, 2015 to October 1, 2016.**

The City does not independently collect information of the type requested. This information is collected and compiled by ICBC and the Vancouver Police Department, (VPD). The City has limited access, via a data sharing agreement with ICBC, to obtain specific information for City of Vancouver purposes. Therefore, the records are not in the care and custody of the City of Vancouver. We suggest you submit this request to ICBC and/or the Vancouver Police Department because they are the official information source/record holders.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) a copy of your original request for information that you sent to us; 2) the file numbers assigned to your request (04-1000-20-2016-395); 3) a copy of this letter; and 4) detailed reasons or grounds upon which you are seeking a review.

Please do not hesitate to contact the Freedom of Information Office at [foi@vancouver.ca](mailto:foi@vancouver.ca) if you have any questions.

Yours truly,
