Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (The "Act")

I am writing regarding your request of November 10, 2016, under the *Freedom of Information and Protection of Privacy Act*, for:

In regards to the adoption of the "character merit" designation, all the character merit appeals together with their address, submission application, and decision by the Planning Department, Heritage Group, from January 1, 2006 to November 10, 2016.

Please note: There is no character merit "designation" per se - the character merit procedure is an evaluation and assessment to determine if a property has character merit. This character merit interim procedure was adopted in June 2014.

Responsive records to part of your request are enclosed: list of appeals, addresses, and decisions.

Records *in their entirety* (i.e. copies of every appeal and evaluation file) have been estimated at minimum 135 hours to search and compile. If you wish to continue we will open a new FOI request and send you a fee estimate at \$30 per hour.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2016-422); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact me if you have any questions.

Yours truly,
