Subject: Warming centres open tonight

Good evening Mayor and Council

In response to the Extreme Weather Alert and forecast cold weather overnight, the City, in cooperation with Parks Board staff, is activating Warming Centers in addition to the usual EWR mats that will be available.

An official summary of all the EWR Mats and Warming Centers has been compiled and communicated by us and the Greater Vancouver Shelter Strategy Manager.

We are opening the following three warming centres overnight [from Tues. Jan 31 - Fri. Feb. 3](#)

Britannia Community Centre
Opening at [1739 Venables St.](#)
Time - [10:00 PM - 9:00AM](#)

West End Community Centre
[870 Denman St.](#)
Time - [11:00 PM - 6:30 AM](#)

Carnegie Community Centre
[401 Main St.](#)
Time - [11:00 PM - 7:AM](#)

While we're still figuring out how best to respond to this cold weather I am really appreciative of our dedicated staff who have worked to open these facilities.

Best

Sadhu
