Subject: Snow update

Good Morning Mayor and Council

The major arterial roads are in good shape and we are continuing to open up hills that were closed early on. We currently have:

- 25 Resources deployed on major routes, priority bike lanes, emergency calls, and priority hills.

Alerts

- Minor snow accumulations possible early this morning, mainly before 7-8am.
- High ICE concerns through 9-10am this morning.

Despite the alerts that have come out, the weather is holding steady, temperatures are sitting below zero in most parts of the city and there has been no new snow
