Subject: Dealing with the snow

Greetings Mayor and Council-

While we can't see it from in here, the snow has arrived again. It's coming down pretty hard. Here's what we have out dealing with it currently:

- 27 Salter/plows on main routes
- 6 Salter/plows responding to trouble spots/calls
- 2 Salter/plows on Hospital and School routes
- 2 Salter/plows on shared bike routes
- 2 Salter/plows on priority hills
- 1 Kubota on priority bike routes
- 16 Hand salting crews responding to 311 emergency and non-emergency calls

Our salt supplies are good.

I'll keep you posted as the afternoon progresses.

Best

Sadhu
