Subject: Trump Hotel Protests

Greetings Mayor and Council

Overall, today protests have been peaceful and uneventful.

This afternoon 20 pro Trump protesters showed up and have verbally confronting the original anti Trump protesters.

The Jack Poole plaza protesters are starting to arrive, fewer than 20 at this point. We are expecting s this group will conduct speeches at the Plaza and then march to the US consulate and return to the Plaza a short time later.

So, VPD are closely monitoring the situation. I will update you if anything goes sideways...

Best

Sadhu
