**Subject:** Port of Vancouver - emergency exercise

Good afternoon Mayor and Councillors,

I am writing to advise that the Port will be conducting a major emergency preparedness exercise tomorrow (April 4) in accordance with Transport Canada requirements.

The exercise will occur in and around Canada Place and will include involvement on the part of VPD, VFRS, BC Emergency Health Services, Canadian Coast Guard, CBSA and other agencies. There will be increased vessel traffic around Canada Place with on-water firefighting activities as well.

The Port is reaching out to media to alert them regarding the exercise but it is possible that we will also receive inquiries. Should you have any questions or concerns, please let me know.

Best,  
Paul
