**Subject:** CAN-TF 1 - Deployment to Tappen BC

VFRS received a request from EMBC (Province) to prepare to deploy CAN-TF1 for a landslide that involves a single home in Tappen, BC (Salmon Arm area) with reports of possible people inside.

At this time VFRS / CAN-TF1 is mobilizing a rescue squad and Incident Commander support (approx 10 members) Chief Scott Morrison will lead the team.

EMBC is arranging air transportation and the squad will head to the south terminal airport. We will await final clearance to proceed from the PREOC. I will keep you updated thanks. John
