Subject: Tree Limb Removal on North Lawn

Greetings Mayor and Council,

I would like to provide you with an update on the landscaping activity taking place on the north lawn today. Chris Santos, Building Services Supervisor noticed that a large limb was splitting from the trunk of a tree, near the Councillors' parking lot. An arborist was brought in to investigate yesterday and determined that it was unsafe, as it could split off completely and potentially injure anyone standing below due. Therefore, action was taken to have the large limb removed to prevent any further damage. The work is being completed today.

Best,
Sadhu
