Subject: Derelict vessel - English Bay

Good morning Mayor and Councillors,

I am writing to advise on an operation that the Coast Guard has under way in relation to an derelict vessel that is moored offshore from Hadden Park in Kitsilano. Transport Canada has seized the vessel and has identified a material quantity of petroleum products on board. Coast Guard is currently evaluating options to remove the oil and, as of this morning, has deployed boom around the vessel as a precautionary measure.

While no oil has been spilled into the water, the activity around the vessel is apparent from shore and may give rise to questions or concerns. We will work with Coast Guard to address any inquiries.

If you require any additional information at this point, please let me know.

Best,
Paul

Paul Mochrie | Deputy City Manager
