Subject: Invitation to information exchange and private tour of the Canada C3 Vessel

Dear Mayor and Council and Park Board Commissioners:

Please join City of Vancouver, the Vancouver Fraser Port Authority and Canada C3 on Oct 23, 2017 at 10:00 am at the Port of Vancouver Discovery Centre located in Canada Place. We will be exchanging information about City of Vancouver strategic actions with Canada 150+, sustainability and the Healthy City Strategy, the port's environmental initiatives, and the 150-day sailing journey of the Canada C3 (coast to coast to coast) Team.

There is an opportunity at 11:00 am for a small City of Vancouver delegation to have a private tour aboard the vessel Polar Prince, a presentation by Canada C3 and light lunch.

The goal of the Canada C3 Project is to share the Team's stories of people they have met en route from Toronto to Victoria and engage the voices of diverse Canadians in discussions about diversity and inclusion, reconciliation, youth engagement and the environment.
