Good evening Mayor and Council

City Hall is currently without power. We are preparing our business continuity plans in case it doesn't come back on by the morning. I will keep you posted.

10:46 pm

Traffic is not flowing through West Broadway between Cambie Street and Main Street in Mount Pleasant due to a major fire at the African Arts and Percussions building.

The blaze at the musical instrument store at 163 West Broadway began shortly after 9 pm Sunday.

Multiple engines from Vancouver Fire Services are at the scene fighting the blaze. Police are also present in the area managing the road closures in both directions between Main Street and Cambie Street.

A large area of the neighbourhood is currently in the dark due to the fire, according to BC Hydro. Over 2,400 customers are affected.
