Subject: Old Fireboat Submerged

Greetings Mayor and Council-

This afternoon, our older fireboat that is parked at the Main St. dock had some problems that caused it to be submerged. The issue was identified quickly, so there weren't any environmental issues as a result, however, the engine was submerged, rendering it unusable. We are investigating the cause of the issue. As a result of this, we are down from 3 to 2 fireboats. I will let you know what I learn as the investigation proceeds. Our newest fireboat should be arriving shortly, so we'll be up to full strength soon.

Best
Sadhu
