Subject: Possible protest at City Hall

Good morning Mayor and Councillors,

Although not confirmed, Corporate Security and VPD have received indications of a protest at City Hall today related to the modular housing site in Marpole. As a precautionary measure, Security has implemented additional controls on access to the third floor and are actively monitoring the situation. Further limits on public access to the building will be implemented only as necessary.

Please let me know if you have any immediate questions or concerns. We will provide an update if a protest actually materializes.

Thanks,
Paul
