Hi Donna: I have included what we report in our daily media summary as the media who called about this topic. We did not release anything and we restated that what we have to say on the topic was included in the Tanya Beja report of the past 6 weeks ago.

Does that help?

Brenhill appraisal

Tanya Beja - Global

Sam Cooper – Postmedia

Reporters wanted to know if former Director of RES had seen an appraisal report for 508 Helmcken by Garnet Wilson. We have no record of any appraisal by Garnet Wilson in our files so we have no way of knowing if the Director of RES at the time saw the report while working for the City. Your question should be directed towards BC Housing and Michael Flanigan as the City has no record of the appraisal.

Hi Rena. I understand the City has also been contacted by the Sun reporter re the Brenhill land swap. Is he asking anything new or seeking the same info we released last week. If there's anything you can share-appreciate it and if there's anything you need from me let me know.
