Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of April 27, 2017 for:

Regarding a motor vehicle accident that occurred in the 800 block of Quebec Street under the Georgia Viaduct on April 1, 2017 at approximately 4 am, a copy of video footage (if such footage exists) from the secure lot under the viaduct named "Lot 800 Quebec Street". A sign on the fencing states "Area monitored and recorded by video 24 hrs."

We have completed the search for responsive records for this request and no video footage exists.

Please note: the City owns the lot referenced above. It is confirmed that the sign, "area monitored and recorded by video 24 hours", is obsolete. The Vancouver Police Department previously used the area as an impound lot but that use has since finished. Any video surveillance cameras, if in operation, would have ended at the time VPD vacated which was in 2016. Since then, the property has been under Real Estate and Facility Management's responsibility and does not currently operate a video surveillance camera at this location to date.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2017-175); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,
