Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of July 10, 2017 for:

A copy of the position paper drafted by the ARKS Vision group and submitted for public record as part of the Public Hearing for Arbutus Centre (2133 Nanton Ave, previously 4255 Arbutus Street) on July 12 and 13, 2011.

We have completed the search for responsive records for this request and no responsive records have been located.

Areas searched include the City's electronic records as well as hard copy records from file storage. We also sent the request to Planning staff once we had searched these areas. Staff viewed the online video accompanying the report. It appears that the ARKS representative read the position of ARKS but did not hand over the speaking notes. On page 9 of the Council report, a letter previously sent by ARKS is referred to which is included in Appendix E. The report and video can be viewed at the following link:

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2017-268); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,
