Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of November 14, 2017 for:

In 2017, City of Vancouver sent communications to selected landholders in the city requesting they tender land for which they had development permits or had applied for development permits for periods up to five years for temporary modular housing.

Request is for the copies of all general communications between City of Vancouver and selected landholders from January 1, 2017 to November 14, 2017.

The City did not send communications to selected landholders requesting they tender land for which they had development permits or had applied for development permits for periods up to five years for temporary modular housing. Therefore there are "no general communications" relating to your request.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2017-452); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,

Cobi Falconer, FOI Case Manager, for
