Greetings Mayor and Council

Last week at council I was asked to send around our most recent reports to council on making False Creek swimmable. Here they are:

Presentation on Recreational Water Quality Protection, update to Council on May 2, 2017  
<http://council.vancouver.ca/20170502/documents/a1presentation.pdf>

Vancouver Waterfront Initiative Council Report on July 25, 2017  
<http://council.vancouver.ca/20170725/documents/a5.pdf>

We are in the process of preparing to report back to council on the results of our work in the summer/fall of 2017.

Best

Sadhu
