**Subject:** West annex follow up

Good morning,

I am following up on my earlier email.

This morning there was a partial power outage at West Annex ([515 West 10<sup>th</sup> Avenue](#)) due to a motor vehicle accident that damaged a transformer.

BC Hydro is working to restore power, and estimates it will take several hours.

We are closing the Service Centre on the ground floor and anticipate it will remain closed for the day. We are directing people to use our online services in the meantime. Staff in the building are being directed to work from another location, if possible, or being sent home. We will provide ongoing information to the public by social media and on our website and to staff via Citywire and broadcast email.

I will keep you posted as the situation evolves.

Thanks

Sadhu
