Subject: Invitation - Ethan Zindler discussion on Clean Energy Transition - March 12

Greetings Mayor and Council,

We have a great opportunity to meet with [Ethan Zindler, the Head of Americas at Bloomberg New Energy Finance](#) as he is in town for the GLOBE Forum. Bloomberg New Energy Finance synthesizes the most sophisticated energy data sets in the world into clear narratives that frame the financial, economic, and policy implications of emerging energy technologies. As the head of their north, central and south American research, Mr. Zindler is well positioned to help put Vancouver's Renewable City challenges and opportunities in a broader economic and policy context. He will be at City Hall on March 12 to give a 20 minute presentation, followed by a 40 minute discussion with Council and staff about clean energy transition.

Date: Monday, March 12, 2018

Time: 3:30-4:30pm

Place: City Hall – 2nd Floor Business Centre Meeting Room

If you would like to attend, please RSVP to Jennifer.Wahl@vancouver.ca.

Best,
Sadhu
