Subject: City unveils new interactive public art installation at Sunset Park

Dear Mayor and Council,

Today Cultural Services and TransLink unveiled a new public art installation created by Germaine Koh, the City's current Artist in Residence with the Engineering team. The piece, SeeSawSeat, is part bus bench, part teeter-totter that encourages social interaction and cooperate on while waiting for the bus.

You can find SeeSawSeat near the south-east corner of Main Street and 51st Avenue East, near Sunset Community Centre.

Best,
Paul
