Subject: Temporary Modular Housing Approved for West 2nd Avenue

Dear Mayor and Council,

I am writing to confirm the issuance of a development permit to build 52 new units of temporary modular housing at 599 and 595 West 2nd Avenue. That permit has just been approved today.

The housing is prioritized for people who are unsheltered or living in a shelter and homeless people living in the local neighbourhood. There are now approximately 300 units of temporary modular housing in progress: 260 approved and approximately 50 under review through the pre-development permit application.

Please let me know if you have any questions.

Best,
Paul
