Subject: Public Bike Share Reaches Commercial Drive

Greetings Mayor and Council,

On April 20, the City, in partnership with TransLink and Vancouver Bike Share Inc (the operator of Mobi by Shaw Go), will announce that the expansion of Vancouver's public bike share program service area has reached Commercial Drive.

Installation of new stations for the expansion started in April, 2018. As of Friday, 15 new stations will have been installed along 10th Avenue and the Broadway Corridor in Mount Pleasant and in the Commercial Drive neighbourhood. The expansion will build on the current network with stations every two to three blocks, and will include approximately 50 additional stations and 500 bicycles.

Best,
Sadhu
