SUBJECT: Attendee/Participant Counts for 2017 Events

The purpose of this memo is to provide information regarding the number of attendees at outdoor public special events, in response to a Councillor inquiry.

Please note:

- The listed are only events provided permits by the Film and Special Events branch in 2017. Events held on private property are not included unless the event has elements that affect the street, 800 Robson or the Vancouver Art Gallery Plazas. Likewise, the list does not include events held entirely within Vancouver Parks Board managed property.
- The numbers are self-reported by the event organizer during the application process. The Film and Special Events branch cannot confirm the accuracy of the reported attendee/participant count.
- The City does not actively visit special events and compile spectator counts. For larger events, the Vancouver Police Department will occasionally report out on estimated attendee totals.

For more information, please contact Margaret Wittgens at margaret.wittgens@vancouver.ca or 604-673-8227.
