SUBJECT: Invitation to Vancouver Landfill Open House

The Transfer & Landfill Operations Branch is pleased to invite you to the Vancouver Landfill Open House in Delta on Saturday, June 2, 2018. This Open House follows 15 previous events (nearly annual) and will attract over 1,000 visitors. It is an excellent opportunity for the City to highlight its world-class initiatives at the Landfill, particularly those relating to waste diversion and environmental protection.

On June 2, members of the public are invited to the Landfill between 10:00 am and 2:00 pm. Guided tours by coach bus will occur throughout the day. Guests can also visit informative displays on sustainability and the environment presented by regional and local governments, as well as industry and non-government organizations. Demonstrations on bird control at the Landfill with trained hawks and falcons are featured. Activities for children include recycled craft creations, face painting, a giant sandbox and more. Recycle bags will be provided to allow guests to take home compost from the site's composting facility for yard and garden trimmings.

We look forward to seeing you at the Landfill Open House on June 2 and hope you will pass on this invitation to others that may be interested.

Please contact Lynn Belanger at lynn.belanger@vancouver.ca should you have any questions about the event.
