Subject: Upcoming IB - Changes to Chinatown Development Policies

Greetings Mayor and Council,

At the June 5 Council meeting, staff will propose updated development and zoning policies for Chinatown to help new development fit better with the historic and cultural character of the neighbourhood. This proposal is the culmination of an extensive three year engagement process which has explored many potential policy options with members of the community and key stakeholders, and weighs the many different voices heard with the technical, economic, cultural, social analysis and City priorities. An Information Bulletin is forthcoming.

Best,
Sadhu
