Good morning Mayor and Council,

At the Standing Committee on Policy and Strategic Priorities meeting of May 16, 2018 Council adjourned at 10 pm, as per section 2.3(e) of the Procedure By-law, in debate on the last item (Additional Requirements to the City of Vancouver Medical-Marijuana Related Business Licensing Process to Deter Organized Crime) and prior to rising and reporting the recommendations of the Standing Committee to Council for consideration. To deal with the Unfinished Business from the May 16 Standing Committee meeting, Council will resolve into Standing Committee at today's Regular Council meeting, deal with the remaining motion from Standing Committee, rise from Standing Committee and report the recommendations of the Standing Committee to Council (as per section 3.5 (e) of the Procedure By-law).

Today, when Council resolves into Standing Committee, Councillor Reimer will take the Chair. Council will continue with the remaining item in debate. As a reminder, on May 16 the Standing Committee heard from two speakers opposed to the motions. Council entered into debate and considered two referral motions which lost. Therefore, at today's Standing Committee meeting, Council will continue in debate.
