**Subject:** Upcoming IB - Proposed TMH Heatherlands

Greetings Mayor and Council,

4949 Heather Street is being considered as a site for temporary modular housing. The proposal is for two new buildings to house approximately 100 Vancouver residents experiencing homelessness. The buildings would be managed safely and responsibly by a non-profit housing operator selected by BC Housing.

4949 Heather Street is part of the Heather Lands site, but the proposed temporary modular housing is separate from the upcoming rezoning and permanent development of the Heather Lands. With the consideration of this site, over 500 new homes on eight sites are in various stages of development, with 156 homes already tenanted.

Information Bulletin is forthcoming.

Best,  
Sadhu
