Subject: Upcoming IB - Cambie Corridor Utility Strategy Info Session

Greetings Mayor and Council,

The Cambie Corridor Plan is moving into its next phase of implementation, with the creation of a strategy to upgrade utilities to serve the more than 30,000 new homes and 9,200+ job spaces that will be added to the area over the next 30 years. An information session will be held on June 28 at City Hall, 4-7:30 pm to provide details to the public. The Utilities Servicing Plan will be presented to Council in July. The information bulletin is forthcoming.

Best,
Sadhu
