Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of January 31, 2018 for:

**Total number of catch basins cleaned for each of 2014, 2015, 2016 and 2017.**

Please note, there is no regular catch basin maintenance program. Catch basins are cleaned only when necessary. If further work from the initial cleaning is required then a work order is created. The aggregate data provided in the table below is the number of catch basin work orders issued per year:

Year (January 1 to December 31)	Catch basin work orders initiated and completed
2014	3015
2015	2574
2016	2608
2017	3250

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.
