Subject: Water main break - Georgia St

Greetings Mayor and Council,

I am writing to advise that Engineering staff are currently responding to a water main break at Georgia /Hornby. Traffic on Georgia has been reduced to 1 lane eastbound and 2 lanes westbound. Hornby is open.

Within the next 2 hours, our crews expect to have an estimate of the time required to repair the break. We are hoping it can be completed today, but are awaiting that confirmation.

Best,
Paul
