Subject: Engaging With Staff During Election Period

Greetings Mayor and Council-

As some of you are highly attuned to, we are now in an election period. With this exciting time, comes the inevitable campaigning by over 150 candidates. During this time, our staff are often confronted by candidates seeking information. Between now and the election, I am asking staff to refer any inquiries from candidates directly to their GM or to me. I kindly request that you direct any inquiries to me or to a GM. Until after the election, neither staff nor GMs will be participating in meetings hosted by Councillors that involve parties external to the City. Please let me know if these measures create any challenges for you in conducting your council business.

Best,
Sadhu
