**Subject:** Upcoming IB - Postal Strike & Empty Homes Tax

---

Greetings Mayor and Council,

I am writing to advise you that we will be issuing an Information Bulletin on Friday to urge property owners to sign up for our MyCity eBilling service to ensure they are able to manage their tax accounts online in the event of further postal disruptions, including making their Empty Homes Tax declaration for the 2018 tax year.

More than 240,000 advance property tax notices are being sent to homeowners this month, and mail delivery could be delayed due to rotating postal strikes. Property owners who manage their tax payments online will avoid delays in payment and the associated penalties.

Best,  
Sadhu
