Subject: Protest - City Hall, Saturday Dec 15

Good afternoon Mayor and Council,

We are expecting another protest to take place at City Hall on Saturday commencing at approximately 11:30am. At this time, we do not have an estimate of the number of participants.

We understand similar events are planned across Canada and the focus of the protests seems to be the federal government. There is no indication of any relationship to City of Vancouver policies or officials.

City Hall will be closed for the day and access will remain restricted to employees and visitors attending scheduled events. VPD is monitoring the event and will be responsible for crowd management and any associated public order concerns.

Please let me know if you have any questions or concerns.

Best,
Paul
