Greetings Mayor and Council,

On Monday, the City will be raising the flags of all of the nations competing in the World Junior Hockey Championship which takes place in Vancouver and Victoria from December 26 to January 5. As well as the Championship itself, a number of community initiatives, including visits to schools and a Free Skate Day, have taken place as part of the sport hosting agreement to ensure the event has a lasting legacy. A media event will be held with the Mayor and representatives from the host committee and the World Junior Championships.

Best,
Sadhu
